CONTENTS

In the pursuit of overcoming the gap of insufficiency in the field of medical education, the University today, is an exceptional and exquisite learning educational hub, offering a variety of value-based, career-oriented disciplines of technical and professional education, creating highly qualified, academically and technically proficient professionals, who are responsive to the emerging needs of the Nation.

We, at Subharti believe in collectively embarking on the great voyage of life through experiences of trial and toil, which lead to the strengthening of the soul; clearing of vision; inspiration of ambition and achievement of success. The process of education here is concerned with the overall personality development and sharpening of the inherent capabilities of an individual, by providing an environment, conducive to the overall development of students, while maintaining a balance between academic excellence and moral perfection.

I pray that Subharti University goes a long way in inspiring and stirring young minds and souls for bringing out the best within them, which would ultimately strengthen them as true Indians, in order to serve our nation better.

Jai Hind!

**A journey of a thousand miles
must begin with a single step**

- Lao Tzu.

Education is the first step towards making people aware of their rights and responsibilities. The University was established with the dream of making young Indians not only professionally sound but also for developing 'Awakened Nationals', who are inclined towards not just building their careers but making their parents and peers proud while fulfilling their social and national duties.

The University was established with the motto of

‘शिक्षा, सेवा एवं संस्कार’

As the University has just completed almost a decade of its establishment of being a University, there is much it has achieved and there is much it still has to. The whole team has worked hard, won appreciations, won awards, but as they say, **'aim high'** and work for it.

India was once known as the **'World Guru.'** The dream of reaching those heights in the field of education once again is yet to be achieved. I am sure my team of faculty members and young 'Subhartians' in the making, will certainly achieve it. My best wishes and blessings to all for achieving more and more with each passing day

Jai Hind!

Visionary, Subharti Group

FACULTY OF FINE ARTS

Established in the year 2009, Nand Lal Bose Subharti College of Fine Arts & Fashion Design has established its name as the topmost college of North India in this short period.

The well-qualified academicians and professional stalwarts (both permanent and visiting) of the industry are the essential pillars of the institute and provide valuable insights to the students through industry-driven projects.

Our students have regular exposure to the latest trends and art scenario, fashion shows, workshops, studio visits, and interactive sessions with well established reputed artists, fashion designers, illustrators, eminent sculptors, professional dancers, animators, and other achievers from the fields of Performing Arts, Animation, Fine Arts, Interior Design, Textile, and Fashion. We also publish a yearly Newsletter- '**Art Fragrance-An Artist's Journey**', as a platform for the students to portray their talent. An Annual Art and Fashion Exhibition is held every year in November, '**Strokes & Stitches**', wherein a vast range of creations by the students of MFA and BFA are put on display such as Paintings, Handicrafts, Indo-western dresses, Accessories, Handbags, Jewellery, etc. The college publishes annual journal '**Art Fragrances**.'

VISION WITH A MISSION

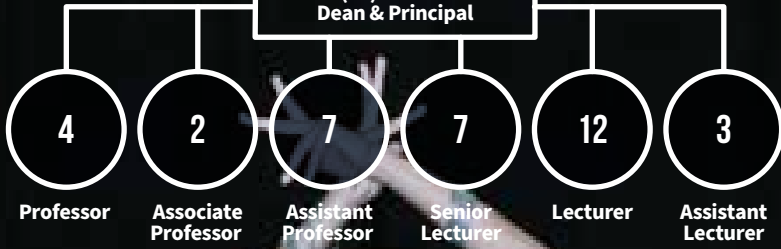

- We believe in a multi-disciplinary approach to help our students discover their latent talent, reinforced with strong technical knowledge by providing individual guidance, attention, support, and motivation to each student.
- Nandlal Bose Subharti College of Fine Arts and Fashion Design takes the pleasure of being the first art college in Western U.P. The Institute has ventured into new milestones and has reached scaling heights in the last decade.
- Our students have achieved great feats in the world of arts and fashion. The students of the Institute win laurels at both National and International platforms every year. We voice with satisfaction that our students radiate talent in all colors and shades of fine arts.
- In conjunction with artistry, we inculcate values in our students and provide them exposure at various art exhibitions and galleries. Visitors to the college art studio and gallery get astounded by showcased the creativity of the students and admire the incredibly festooned Raja Ravi Verma Art Gallery.
- We, at Swami Vivekanand Subharti University motivate our students to paint the canvas and dream big!

More than 115 years old 'Bodhi tree' at 'Bodhi Upvan', Subharti University.

SUBHARTI SCHOOL OF BUDDHIST STUDIES

FACULTY OF ARTS AND SOCIAL SCIENCE

It marked the first event in the history of District Meerut when Buddhists (laity and sangha) of nearly all sects in Buddhism represented and gathered for the same purpose, the progress of Buddhist Studies. On this historical occasion, about 130 Buddhist Monks, Scholars, and teachers from 13 Countries paid homage to the Bodhi Tree, which has been found in Swami Vivekanand Subharti University, Meerut (U.P) campus near Subharti School of Buddhist Studies. The age of this Bodhi Tree has been confirmed to be about 115 years by local horticulture authorities.

Historically, Meerut has been under the vast influence of Buddhist culture since the third century BC as there existed an Ashokan Pillar in Meerut in those times which was later relocated to Delhi by Emperor Firoz Shah Tughlak. The sultan is said to have learned about this Ashokan Pillar existing in Meerut in the 14th century and he got it transported to Delhi. Later he got it installed near his hunter's lodge along the river Yamuna very close to where Hindu Rao hospital stands today.

Our healthcare warriors have been doing a tremendous job. As doctors, we often forget to value ourselves while treating the patients, and when the situation is so fragile, we tend to get sceptical. I think, all the doctors should look out not only for their patients but also for themselves. Healthcare warriors need to have a lot more self-appreciation than they do now to be self-motivated.

For me personally, these times have been a great source of learning and realising my potential. I have come to understand that small steps too can lead to a better future. So now, I am more focussed on helping the society to create more awareness about COVID-19, which in turn leads towards a healthier India. We should all play our part, no matter how small or big, because more often than not our actions make significant impact. Also, family and friends should never be taken for granted because usually they are the people who support you unconditionally though hard times.

NATIONAL SERVICE SCHEME (NSS)

National Service Scheme is considered as a third dimension of the higher education in India. It is well known that the colleges and universities are striving hard to provide quality academic education to the students. But in today's scenario, it is very important to put in efforts for the holistic development of the youth.

As observed, NSS not only encourages students and provides competence for team work, but also provides them the vision to understand the community and identify their needs and problems. It also enables them to find out the practical solutions for individual and community problems and implement the same through community participation.

Not only this, enrollment of the students of Subharti University in NSS, will help them to gain skills in mobility,

leadership and develop democratic attitude. Thus, they will be capacitated to work hard for national integration and social harmony and will be powerful agents of change in any familial, social and nation emergencies.

- The University a colony for the construction workers in its campus, where they have residence, water and electricity and medical facilities.

UNNAT BHARAT ABHIYAN

A Team of UBA, Swami Vivekanand Subharti University organized a field visit to promote gender equality and girl education. Special focus of the event was to create the confidence among the girls in the village of Satwai and Bhola, District Meerut on 24th January 2018.

UBA team organized a talk with girls of both the villages along with their parents and Gram Pradhan. Dr. Rahul Sirohi emphasized on the girl education and their role of family welfare in the future. Other members informed about the various schemes of government launched for the betterment of girls. After that the awareness rally started to sensitize all people about girls' education.

Mr. Anil, Gram Pradhan of Bhola and Mr Satvir, Gram Pradhan of Satwai, Meerut proposed a vote of thanks to the team of UBA, SVSU. All the participants took an oath that they will send every girl child to the schools to study and if anybody is involved in practices like sex determination, female feticides or honor killing then the family involved in such practices will be boycott from their village and the incident would be informed to the police. Total 50 students and villagers actively participated in the event. The event successfully achieved the objectives set as earlier.

FACULTY SERVICES

- Easy access to e-books and study materials
- Fully-secured network
- Health insurance and medical facility
- 24x7 Wi-Fi enabled campus
- 1.5 GBPS internet speed connectivity
- Strategically placed access points for quick connection

RESIDENTIAL QUARTERS

Residential quarters have been provided to the faculty members and sta~ to allow them to spend quality time at work and also with their families. It also helps to bond better with the University and enjoy the campus so beautifully made and nurtured.

YASHODA'S PALNA

To cater to today's nuclear family needs, the university has developed an ultra modern Crèche. The crèche has been equipped with modern facilities of CCTV cameras which can be directly monitored by the parents and supervised by qualified sta~. The facility has been made to help working mothers be able to leave their children in a secure environment and remain stress-free at work.

WI FI SERVICES

The University campus is Wi-Fi enabled, empowering the faculty members to remain in touch with the latest technologies. It also helps the faculty to install the latest equipment like CCTV cameras at their homes so that they can monitor their children, etc while they are at work. The in-house IT team is available 24x7 for any help.

This was especially helpful during the past one year where the internet seemed to be the only stable thing in our lives, connecting us with each other.

SUPPORT SERVICES

Emergency: The Emergency is operational, 24x7 to cater to all medical needs, provide first-aid and Emergency Medical Services. This is specially important, as located on the highway, the hospital caters to numerous trauma and accident cases on a daily basis.

Specialists clinics: Specialists of various fields of Medicine are available for expert advice if anyone needs.

Laboratory: Laboratory services are available with Blood bank, x-ray services, CT scan, Nuclear medicine, and other diagnostic services, etc.

Pharmacy: There are 3 pharmacies in the campus, out of which one is available 24x7 to make available any and all medicines at all times.

Ambulance Service: is available 24x7 to cater to any Emergency if need be.

Health Insurance: was done by University for all sta~.

Canteens: multiple canteens on the campus provide a variety of food choices to the food lovers of the campus.

'Bodhi Upvan': for a time of solace or to connect with oneself, the Bodhi upvan provides a serene environment for discovering the inner-self

Yamanochi Garden: a garden designed for children of the residents, with swings and an open play area

Various other 'green areas' around the campus: the campus is home to various small gardens and areas mothered by nature, where anyone can go, to connect with the earth and with themselves. These are especially useful for elderly and young kids to walk or play around.

'Nabzz' bi-annual subharti newsletter for faculty

SCHOLARSHIP AND LOAN PLANS

The University o~ers various scholarship schemes and loans to our faculty members, to support them. The faculty members can pursue education in the University on various scholarship schemes, part-payment schemes, and various rebate schemes. There are various policies to help them get scholarships for their children and family members also. The faculty members and sta~ can apply for loans and are given gi's on various occasions, festivals, and even in times of need.

Where Education is a Passion...

सुभारती ध्वज

सुभारती गीत

जहाँ भी अंधेरा हो, दीप तू जलाता चल,
रास्ते चमक उठें रोशनी दिखाता चल।

- (1) एक ऐसी दुनिया की, रचना हमको करनी है,
छीन हीन दुखियों की, सेवा हमको करनी है,
सेवा हमको करनी है :
जातियाँ न जिसमें हो, दुनियाँ ऐसी रचता चल,
अरबों के मेले में, एकता फैलाता चल:
जहाँ भी अंधेरा हो, दीप तू जलाता चल,
रास्ते चमक उठें रोशनी दिखाता चल।
- (2) विश्व के ललाट पे, तिलक हमको बनना है
शारदे के चरणों में, जीवन होम करना है,
जीवन होम करना है,
धनवन्तरी का दूत बन, व्याधि को हटाता चला,
भास्कर का तेज बन तिमिर को मिटाता चल:
जहाँ भी अंधेरा हो, दीप तू जलाता चल,
रास्ते चमक उठें रोशनी दिखाता चल।
- (3) गौरव है तू देश का हिमालय से ऊँचा बन,
सुभारती सा बनकर तू, सुभारत बनाता चल:
जहाँ भी अंधेरा हो, दीप तू जलाता चल,
रास्ते चमक उठें रोशनी दिखाता चल।

सुभारत बनाता चल, सुभारत बनाता चल, सुभारत बनाता चल,
तमस मिटा दे, दीप जला दे ओ मेरी साथी रे S S S
