SUBHARTI'S

MISSION

AND

VISION

SUBHARTI'S MISSION is to serve humanity and provide basic services, necessary for life such as health and education, without any discrimination of caste, creed, religion, by establishing schools, colleges, hospitals, ashrams and other service centers.

SUBHARTI INCULCATES in its students the true meaning of being a 'SUBHARTI' "सु-भारती" i.e. the good Indian. The University names all its Departments/Organizations in the memory of our freedom fighters and personalities who have contributed in Nation building, so as to ensure that student are get inspired, and always remember the who they owe their freedom to.

SUBHARTI'S MESSAGE is of **LOVE AND SACRIFICE**; to bring people together by removing hatred, spreading love, building up of moral and national character and service to mankind in order to make the dream of "वसुधैवकुटुम्बकम्" (Vasudev Kutumbhkam) a reality. Social reformations by creation of a casteless society; removal of communalism; terrorism are its important objectives.

SUBHARTI IS AN EXPRESSION OF GRATITUDE; to those who sacrificed their lives to the cause of humanity, equality and independence of the country, thus committing itself to **NATIONAL INTEGRATION**, which is why this University has been named after one of the most illustrious son of our country- **SWAMI VIVEKANAND**.

SUBHARTI is a **ROAD TO EXCELLENCE** by providing our students with a salubrious environment, highly experienced and competent faculty, who help students, discover and achieve their aim along with an excellent infrastructure and ambience.

INTRODUCTION

Swami Vivekanand Subharti University has been established under section 2(f) of the University grants Commission Act 1956 and the Swami Vivekanand Subharti Vishwavidyalaya Adhiniyam 2008 (U P Act no. 29 of 2008) as passed by the Uttar Pradesh legislature and assented by the Hon'ble Governor of Uttar Pradesh in September 2008.

The University was established under the aegis of Subharti K.K.B. Charitable trust, Meerut and renamed as Mahayana Theravada Vajrayana Religious and Charitable trust. It has a commendable record of service in the field of Education, Healthcare and Social Welfare.

The main campus of the University is in the National Capital Region, strategically situated on National Highway 58, Delhi bypass road, Meerut. The campus aptly called 'Subhartipuram', is spread over a sprawling area of about 250 acres of land comprising magnificent buildings, lush green lawns and vibrant surroundings with over 5000 people, dedicated to make the University a Magnum Opus in the World.

The University has several constituent colleges which provide higher education in mostly all the disciplines like Medical, Dental, Nursing, Physiotherapy, Paramedical, Pharmacy, Naturopathy, Yogic Sciences, Engineering, Management, Law, Journalism, Education, Library, Arts and Science, Hotel Management, Faculty of Science etc. is engaged by design to create academically and technically proficient professionals.

The University boasts of highly qualified, dedicated and competent faculty, world class infrastructure, fully equipped laboratories with latest state of the art equipment's and a huge modern library including E-resources.

The uniqueness of Subharti University lies in providing an environment, full of values, gearing up students for nation Building, for survival of humankind and the overall development of students thus maintaining a balance between academic excellence and ethics.

OBJECTIVE -

ACADEMIC AND ADMINISTRATIVE AUDIT

As a dynamic Institution with objective to excel in the field of Education, Services, Sacraments and Nationality, Swami Vivekanand Subharti University firmly believes in self-introspection to control and maintain high standards of quality education. University uses Academic and Administrative audit as a tool to monitor and evaluate the institutional process through systematic internal and external reviews. The Objectives of Academic and Administrative Audit for different stakeholders varies, for example students gets benefitted through reducing needless and redundant areas in academic curriculum, whereas faculty gets clearer achievable and quantifiable goals to perform their duties while innovating the methodology, for University administration it provides realistic SWOC Analysis to strengthen our auditing procedures and achieve goals through defining baby steps to achieve them!

Subharti University has thoughtfully formulated its vision and mission keeping in view the four-fold motto- Education, Service, Sacraments & Nationality.

The main objectives are:

1. To furnish top class training to the students from diverse societies, to make them academically and technically competent.
2. To create center of excellence for research and development and for sharing knowledge
3. To lay emphasis on teaching, learning and extension activities.
4. To inspire the students to lead a dignified life keeping in mind the motto of – (Education, Service, Human values/Culture & Nationality) the University
5. To lay emphasis on personality development of students as Industry-ready citizens of the country.

ACADEMIC AND ADMINISTRATIVE AUDIT TEAM

1. **Dr. Ashwani Sharma, Director, NCR Medical College, Meerut; Ex-Vice-Chancellor, Singhania University, Rajasthan.**

Dr Ashwani Sharma, an eminent scholar in the field of Microbiology and able administrator Dr Ashwani has published 6 medical books and 35 research papers in reputed national and international journals and presented more than a dozen of scientific deliberations in various national and international conferences.

He has been worked as a Principal of Subharti Institute of Medical Sciences, Meerut, D. J. Dental College, Modinagar and College of Applied Education & Health Sciences, Meerut, Singhania University, Rajasthan appointed him as Vice-Chancellor he also worked as Vice-Chancellor of Shridhar University (u/i), Bigodna-Pilani, Rajasthan. He has worked as Director-General of Shree Bankey Bihari Group of Institutions, Meerut and presently working as Director-General of NCR Medical College & Hospital, Meerut.

2. **Dr. Khalid Hasan, Director Academics, Beehive group of Institutions, Selaqui, Behardun.**

Dr Khalid has been into academics since almost 25 years. He has a rich background of almost ten years of teaching experience, wherein he has not only been a teacher but also guided many students. He has been an observer and question paper setter for several universities and University examinations. He has been appointed as external expert for HNB and Utrakhand Technical university also. In his tenure he has held many important posts like that of controller of examiner, Dean Academics, Director Academics, the post he is still continuing on.

Owing to this vast experience and a keen eye for perfection he was chosen as an external auditor for the University to help in the critical evaluation of the University services/departments.

AUDIT SCHEDULE

In light of delayed session, only Online exams, online classes, No physical Classes, due to COVID pandemic and various government directives, getting Administrative and academic audit completed was a mammoth task. The schedule and choice of colleges was decided by auditors themselves.

However, due to committed peer experts and unfathomed support from constituent college authorities, Swami Vivekanand Subharti University was able to conduct Universities Academic and Administrative audit on three days from 05th November 2020 to 07th November 2020. Auditors audit schedule was as follows:

Day	Date	Time-Slot	Audited College
Thursday	05/11/2020	09:30-01:00	Subharti Medical College Subharti College of Nursing
		02:00-04:00	College of Naturopathy & Yogic
Friday	06/11/2020	09:30-01:00	Subharti Dental College Faculty of Education
		02:00-04:00	Subharti College of Fine Arts College of Management
Saturday	07/11/2020	09:30-01:00	Faculty of Science College of Pharmacy Subharti Institute of Technical Education
		02:00-04:00	Subharti Institute of law College of Journalism

Audit team made extra effort to check and verify other activities such as Hostels, Solar System, Energy auditing, Security System, water conservation and garbage disposal after 5:00 PM to save time and provide comprehensive report.

INFRASTRUCTURE & CAMPUS FACILITIES

Subharti University is dedicated to the holistic development of its students. The University has its well-established infrastructure, for supporting the curricular & extra-curricular activities. Each department is structured to meet the needs of the students. University has world class fully functional Class Rooms which are well-equipped with adequate furniture, lighting and ventilation. The mode of teaching is both conventional Chalk & Talk method along with use of modern ICT's. To attain the objective of holistic development University has developed several facilities, a few of the important ones are as follows:

1. **Central Research & Incubation Center** imparts research mindset and promote students to develop novelties and develop creative ideas and materializing the dreams.
2. **Wellness Centre:** Swami Vivekanand Subharti University has established a Wellness Centre to complement its "WELLNESS PROGRAM" as a Value Added Initiative for Health Promotion titled "HEALTH & HAPPINESS IN OUR HANDS". All university officials, faculty, staff (all employees) & students participate in this initiative. The program caters to the physical, mental, social, emotional, spiritual wellness of individuals.
3. **Libraries** "Books are a Man's best friends" All colleges have well stocked libraries with International & National journals, equipped with audio visual equipment. The University has a central air conditioned library with more than 25,000 books, 150 International, 250 national and 400 e-journals. There is a large projector room, a separate reading room and a seminar room. Learning CDs/DVDs and other audio-visual aids are also available to students.

The libraries have been partially automated which has a variety of latest edition books, periodicals and journals. Most of the departments are having a departmental library. The University has two Central Libraries- one each for Medical & Non- Medical disciplines. E- resources like EBESCO is available and the library and faculty members are registered to NDL.

4. **Hostels** There are 14 hostels including 2 hostels separately for male and female students, and one separately for NRIs/foreign students, within the university campus. The hostels

maintain strict timings and discipline. All hostels have supervisor, resident wardens and also a chief warden for proper management & care of the students. The facilities available in our Hostels are viz:-

- i. Separate hostels for Boys and Girls with attached Mess.
 - ii. Air cooler / Air Conditioner facility.
 - iii. 24x7 Hot and cold water supply, electricity and support services for the same.
 - iv. Free internet connectivity through Wi-Fi system.
 - v. Indoor Games- TT, Carom, Chess and more.
 - vi. Badminton, Tennis and Volley Ball Courts.
 - vii. Television Room.
 - viii. Study Room.
 - ix. Parking Space
5. Physical education and sports department: the university has a department of physical education, which looks after the physical activities in the campus. The university has an excellent training facility for athletes. The dimensions of the ground are as follows:
- a. General Mohan Singh Subharti Play Ground: 40000 Sq. Meter
 - b. Gyani Pritam Singh Subharti Play Ground: 20000 Sq. Meter
 - c. Captain Yamanochi Subharti Play Ground: 2600 Sq. Meter
- Outdoor facilities include Track & Field (400mtr), Football, Basketball, volleyball, handball, Khabadi, Kho-Kho, and Hockey etc. Whereas the Indoor facilities include Chess, caroms, Table Tennis, Judo, Boxing etc.
6. Well-equipped labs: computer lab, chemistry lab, microbiology lab, physics lab, botany lab, zoology lab, electronics lab, psychology lab, arts & craft lab, research lab, video editing lab, graphics lab, textile lab, advance skill nursing lab, nursing foundation lab, nutrition lab, food technology lab, basic & advance training kitchen, marketing lab etc.
7. **Scholarships:** The University has been established under the Trust. The Trust provides financial assistance to students who are brilliant but unable to continue their studies due to financial constraints.
8. **Students Counseling Centre** Students enter the university at a very tender age. Counseling for a better adjusted life is provided by expert counselors for their holistic mental health.

Career counseling services assist students on a vast spectrum of subjects relating to career planning, employment prospects, career choices and job search. Counseling is also provided to help the students in maintaining a healthy and cordial relationship amongst themselves. Services of a trained and experienced clinical psychologist are made available to any student who needs guidance at any time.

9. **Evaluation Process** University's Evaluation process is fair and impartial and faculty guided. This inspires the students to conceptualize content and develop their abilities of innovative thinking and problem solving. Emphasis is given on training components, to help them in their professional career. The performance of the student in both academic and Certified Coding Associate (CCA)/ Educational credential assessment (ECA) are evaluated and certified.
10. **Fitness Center & Gymnasium** University offers these Fitness facilities for over all development of students. There are two well-equipped Gymnasiums in the University campus for Boys and one Gym is for Girls.

Research activities

- a. **Chairs:** university has setup 03 chairs to enhance research meant for social welfare. These 03 chairs are

- A) Tathagat Buddha Chair at School of Buddhist Studies
- B) Netaji Subhash Chandra Bose Chair at College of Journalism
- C) B.R.Ambedkar Chair at Subharti Law College.

University intends to set-up another Chair in the name of Swami Vivekanand Chair at Maharishi Aurbindo Subharti College of Naturopathy and Yogic Sciences. All the Chairs are striving for social up-liftmen.

- b. **Patent, Copyrights, etc:** The faculty members are working hard and continuously progressing with over 40 MOUs, 52 registered copyrights, 44 IPR applied for and some registered.
- c. **Seed Money:** Over 13 projects with publications have done and many more are in line.
- d. **Paper Publications:** 265 Publication 62 books 157 chapters

OBSERVATIONS

- University has wonderful infrastructure. The buildings are beautifully designed, spacious, airy with natural sources of light.
- Audit team was appreciative of the University's efforts to save water, energy, car free Wednesday, Smoking free campus, garbage disposal, battery operated vehicles, disability center services and other major schemes towards betterment of life.
- The Research centre was well equipped and active.
- The Buddha tree area was peaceful and gave a wonderful feeling.
- The students, although very few due to post lockdown effect were happy and contented.

RECOMMENDATIONS

- The audit team recommended the better utilization of infrastructure. This can further be improved by a couple of checks.
 - Such as, when a student or an employee checks into a quarter or room or dormitory, there is no handover of furniture or fixtures, It is important for better controls and it is important to avoid later conflicts normally end up with financial losses for the University.
 - Evening classes for competitive selection for hostellers.
 - Hobby classes. This will also help the students to fruitfully utilize their time.
- In campus quality checks can be conducted for shop owners to ensure usage of quality ingredients.
- A campus resident officer should be nominated to check security and other service during wee hours. To start with designated officer might take at least a round between 12:00 Night to 04:00 AM in the morning, atleast once in a week.
- A check round may be planned to reduce wastage of resources, like the lights left on while leaving room, water left dripping etc. by staff/students.
- University Solar power services need to reach another benchmark by connecting to grid and selling extra power generated to the grid.
- A non vegetarian outlet can be planned for foreign students.

Faculty of Medicine
(Netaji Subhash Chandra Bose) Subharti Medical College

www.medical.subharti.org

Netaji Subhash Chandra Bose Subharti Medical College, one of the finest medical colleges of Northern India, is a constituent college of Swami Vivekanand Subharti University, Meerut. Presently, the college has 22 departments including Anatomy, Anesthesiology & Critical Care, Biochemistry, Community Medicine, Dermatology, STD & Leprosy, Forensic Medicine, General Surgery, Medicine, Microbiology, Obstetrics & Gynecology, Ophthalmology, Orthopedic Surgery, Otorhinolaryngology & Head & Neck Surgery, Pathology, Pediatrics, Pharmacology, Psychiatry, Pulmonary Medicine, Physiology, and Radio-Diagnosis. In addition, we also have a Central Research Station with advanced research facility, Medical Education Unit and Central and Department libraries. The college is also offering Super-specialties in Cardiology, Neurology, Neurosurgery and Plastic-surgery.

At present SMC has 557 UG Students and 196 PG Students, whereas total faculty strength is 446, one among best faculty and student ratio. College has spent more than five lakhs on library book procurement, which keeping in mind the COVID times is not bad.

Departmental Infrastructure:

- Class room: all the class rooms have conducive atmosphere for teaching-learning. most of them have advanced ICT facilities, seating is quite comfortable and has well equipped furniture's.
- Laboratories: faculty of medicine has a total of 40 laboratories; all are well maintained and utilized regularly, utilization register maintained up to date.
- Faculty rooms: separate rooms are allocated for the various departments under faculty of medical sciences. 166 cubical faculty rooms are available with sufficient infrastructure.
- Common rooms: separate common rooms for boys and girls are available.

RESEARCH PUBLICATIONS:

- The research input of the department is fairly good. Faculty members are having good number of publications in SCOPUS/UGC/ PUBMED indexed journals.
- Few of the faculty members have applied for patents and copyrights, which is definitely a good sign for the university.

OBSERVATIONS

- ❖ Online teaching methodologies needed better auditing and supervision, as online teaching is order of the day. Audit team understands the trial and error method but recommends maintaining the details in soft copy.
- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders.
- ❖ The audit team appreciates the college infrastructure, the long association of faculties and the tremendous work being done in the hospital.

RECOMMENDATIONS

- ❖ Proper documentation of online classes with topics covered and student feed backs are missing at the moment.
- ❖ The University has Corporate Google account thus should try to conduct online classes through Google Classroom rather than Zoom or Microsoft team
- ❖ More Alumni involvement should be done.
- ❖ Audit team is of the view that student should be made familiar with virtual practical websites which can teach them model practice. Some softwares for practical teaching for medical students, especially
- ❖ Interdisciplinary knowledge through hobby courses should be introduced on priority to keep students stress free and studies fun.
- ❖ International tie ups may be planned for exchange of students.

Faculty of Nursing
Panna Dhai Maa Subharti Nursing College

www.nursing.subharti.org

Subharti Nursing College committed to producing lifelong learners who will excel in their nursing careers and be recognized as leaders who keep the health and welfare of society at the forefront of their values about providing patient- centered care and meeting health needs of the community is indeed commendable and under strong leadership. The strength of the college are Rural & Urban health centers for community health nursing practice, enriched library with internet and e-learning facility.

In total, there are five departments with almost 650 students and 76 faculty members to impart quality nursing education to cater from basic nursing to highly specialized fields of nursing care. Emphasizing not only in skills but also on effective domain of education in preparing the nursing cadre to treat all patients with wholehearted empathy without getting stressed out themselves.

Departmental Infrastructure:

- **CLASS ROOMS:** all the class rooms have conducive atmosphere for teaching-learning, most of them have advanced ICT facilities, seating is quite comfortable and has well equipped furniture's
- **LABORATORIES:** Faculty of nursing has a total of 10 labs; all are well maintained and utilized regularly, utilization register maintained up to date.
- **FACULTY ROOMS:** separate rooms are allocated for the various departments under faculty of nursing. One common faculty room & 31 cabins are available with sufficient infrastructure.
- **COMMON ROOMS:** separate common rooms for boys and girls are available.

RESEARCH PUBLICATIONS:

The research input of the department is good. Faculty members are having good number of publications in indexed journals. Faculty members are continuously trying for patents and copyrights.

OBSERVATIONS

- ❖ The team appreciated the MOUs, and work done in them
- ❖ The team also recognized the effort put in to provide practical training to students with tie ups with hospitals; Audit team is satisfied with the Feedback mechanism from all major stakeholders. However more Alumni involvement will be an added advantage.
- ❖ Department has experienced teachers. Innovative teaching methods and ICT are used in teaching- learning activities.
- ❖ Students are kept engaged in competitions, extension activities, camps and project works.
- ❖ Tests and assignments are incorporated with regular teaching learning process for the reinforcement of the topics.

- ❖ Personal Counseling is given to all students. Virtual training is given to all students and extension activities are arranged periodically.

RECOMMENDATIONS

- ❖ Online teaching methodologies need better methodology and innovative approach to bind the students and make them remain attentive, as Online teaching in order of the day. But proper documentation of online classes with topics covered and student feed backs are missing at the moment. Audit team understand the method but recommends maintaining the details in soft copy.
- ❖ Audit team is of the view that student should be made familiar with virtual practical websites which can teach them model practice.
- ❖ Interdisciplinary knowledge through hobby courses should be introduced on priority to keep students stress free.

AUDIT CHECKING

Faculty of AYUSH

Maharishi Aurobindo Subharti College of Naturopathy and Yogic Sciences

www.naturopathy.subharti.org

Naturopathy and Yogic sciences are our ancient Indian wisdom which facilitates rediscovering the healing power of nature and within self. With the qualified doctors who are well-versed with the secrets of nature, who can treat and heal diseases from the root without any side effects, Maharishi Aurobindo Institute of Naturopathy & Yogic Sciences, was established in 2011 and is duly recognized by the Department of AYUSH is the most promising venture teaching the ways of better life styles.

The academic program has been developed 'by the masters and for the masters' to ensure that learners have all the opportunities to build a strong foundation and to demonstrate competency in major modality involved in Lifestyle Modification, Natural Therapies, Mind Body Medicine, Integrative Medicine, Chronic disease management & Rehabilitation.

Strength of the College

In association with Chhatrapati Shivaji Hospital, a 956 bedded teaching multispecialty hospital, treatment facilities with OPD & IPD are provided to a large number of patients thus providing extensive clinical exposure to the students. Regular Camps, Workshops, Seminars & Guest lectures are conducted for up-to-date information & exposure to the students to knowledge of existing and evolving biomedical, clinical, epidemiological and social-behavioral sciences, as well as the application of this knowledge to patient care.

The college has two departments, first is Department of Naturopathy and Yogic Sciences, and second department is Department of Vedic Sciences. The best part of the college is expending memorandum of understanding (MOU) with most renowned institutions and facilities.

Departmental Infrastructure:

- The college is well equipped with state of the art facilities including Multimedia teaching facilities, Spacious Classrooms, Yoga Halls, Library and Laboratories.
- All the class rooms have conducive atmosphere for teaching-learning, most of them have advanced ICT facilities, seating is quite comfortable and has well equipped furniture, as per need of the subject.
- Department has well equipped clinical center for chromo & magneto therapy, acupuncture, manipulative therapy & hydro therapy rooms.
- Separate common rooms for boys and girls are available.

OBSERVATIONS

- ❖ Online teaching methodologies seem to be ok.
- ❖ Faculties are trying hard to connect with students while imparting the subject knowledge.
- ❖ Student placed are working in different colleges, hospital, excelling in the field of Naturopathy and Yoga.
- ❖ They have multiple opportunities to shape their future like: General practice in clinics with minimum infrastructure; Government and private hospitals.

- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders. However more Industry involvement will be definitely an added advantage.

RECOMMENDATIONS

- ❖ However, there is no maintenance of online class records. Audit team is of the opinion that University having experts of ICT tools must conduct Faculty Development Programs to distribute the knowledge and wisdom as it is more of an art than a science.
- ❖ Audit team is of the view that student should be made familiar with real time problems through case studies which can teach them model practices, however that hurdle maybe due to the pandemic circumstances.
- ❖ The upcoming hospital plan can be fastened to help students get more exposure on patients.

Faculty of Dental Science
Subharti Dental College and Hospital

www.dental.subharti.org

The college is a pioneer of its field in North India owing to the distinguished full time faculty, heavy patient turnover & state of the art infrastructure, equipment's& amenities. The college offers bachelors, masters and post-doctoral degrees.

Our students have the opportunity to engage in valuable professional exchanges with their global colleagues through our international exchange programs with the renowned Universities like Boston and Florida etc. The true worth of SDC is not in the monetary value of the bricks and mortar, but in the values of the institution which are inculcated into the foundation of a student's transformation into a successful dental specialist, committed to patient care and cure.

DEPARTMENTAL INFRASTRUCTURE:

College has AC lecture theatres, presentation halls equipped with modern audio-visual facilities. It is equipped with all the latest facilities for diagnosis and treatment of dental and orofacial diseases. Eight specialty departments encompass numerous clinics laboratories and dedicated research areas, to name some; Laser Diagnostic & Treatment Unit, Digital OPG X-ray Unit, Conscious Sedation Unit, Surgical Microscope, Dental implants, Immuno-Histochemistry lab, Cone Beam CAT-Scan machine etc. Each department has separate undergraduate and postgraduate clinics as well as a well-equipped departmental library in addition to a central library having more than 50,000 books, to promote and enrich learning. Attached to the Medical College & Hospital, the students are trained in emergency services and are taught by experts of all fields, relevant to the subjects.

A total of 22 labs are there in the department, all are well maintained and utilized, utilization register maintained up to date

Separate rooms are allocated for the various departments under faculty of dental sciences. 42 faculty rooms are available with sufficient infrastructure.

OBSERVATIONS

- ❖ The team appreciates the effort put in by faculty in online classes, in teaching such a subject online.
- ❖ Online teaching methodologies are not enough as being a dental professional it is important to work on the case rather than studying the case.
- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders.
- ❖ Audit team is of the view that student should be made familiar with real time problems through case studies which can teach them model practices.
- ❖ The infrastructure, facilities and equipments are worth appreciating.

RECOMMENDATIONS

- ❖ Students must be provided with the links which can teach them to work on models as practical's.
- ❖ Undergraduate students should also be encouraged for taking part in and attending conferences.
- ❖ Plan on International exchanges, and work should be started.
- ❖ More practical classes should be held to compensate for the lost time.

AUDIT CHECKING

Faculty of Education

www.education.subharti.org

Department of Education provides a teaching and learning environment in which teacher trainee can imbibe themselves with updated scientific and technical knowledge. This highly elevated accomplishment is imparted by experienced and supportive faculty members. Department of Education is one of the pioneer departments under the Faculty of Education with the best fascinating infrastructure, equipment's amenities and highly profiled faculty members.

The exclusive quality of the department is the skill enhancement practice of the teacher trainee which they expose during their internship and got appointment in those schools during their internship period.

Departmental Infrastructure:

Our department is adorned with air conditioned library, seminar hall with ICT tools, well equipped laboratories and lecture halls with modern ICT facilities. Internship, research projects, Seminars, conferences, workshops, community works, extension activities, cultural and sports activities are the salient features of our Department. All the class rooms have fairly good ambience, most of them have the ICT facilities, and seating is quite comfortable and has well equipped furniture.

OBSERVATIONS

- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders. However more alumni and experts from Industry will be definitely an added advantage.
- ❖ Infrastructure is commendable.
- ❖ The labs, museums are all well made.
- ❖ The physical education college has a lot of scope.

RECOMMENDATIONS

- ❖ Interdisciplinary knowledge through hobby courses should be introduced on priority to keep students stress free and studies fun.
- ❖ Online teaching methodologies are not enough for developing a model facilitator which is one of the hardest jobs. As a faculty, we have to understand the psyche of students as they are neither adults nor children. Audit team is of the view that students should be made familiar with real time problems through case studies.
- ❖ Students must be provided the knowledge about creating pictorial diagrams and flow charts to make subjects interesting and sessions fruitful, with the links of models as lessons to learn by doing.
- ❖ Value added courses may be introduced on virtual teaching for the future.

AUDIT CHECKING

Faculty of Fine Arts

NandLal Bose Subharti College of Fine Arts & Fashion Design

www.finearts.subharti.org

The well qualified academicians and professional stalwarts (both permanent and visiting) of the industry are the essential pillars of the institute, and provide valuable insights to the students through industry driven projects. Almost 500 of Students among 50 odd faculty distributed among five major departments is one among most creative colleges of the University.

Students have regular exposure to the latest trends and art scenario, fashion shows, workshops, studio visits, and interactive sessions with well-established reputed artists, fashion designers, illustrators, eminent sculptors, professional dancers, animators and other achievers from the fields of Performing Arts, Animation, Fine Arts, Interior Design, Textile and Fashion. College also publishes a yearly Newsletter- '**Art Fragrance-An Artist's Journey**', as a platform for the students to portray their talent. An Annual Art and Fashion Exhibition is held every year in the month of November, "Strokes & Stitches", wherein a vast range of creations by the students of MFA and BFA are put on display such as Paintings, Handicrafts, Indo-western dresses, Accessories, Handbags, Jewelry etc. Publish Annual journal Art Fragrances with ISBN No. Along with all this College salient features were found to be are several.

Departmental Infrastructure:

College has AC lecture theatres, presentation halls equipped with modern audio-visual facilities, fully equipped auditorium. A well-equipped departmental library in addition to a central library having journals and books, to promote and enrich learning.

Different labs in the department are well maintained and utilized, utilization register maintained up to date. College virtual art exhibition is a commendable effort, keeping in mind pandemic scenario. A Fully air conditioned Animation lab with Mac Pro & other highly configured computers.

- Distinct Labs For Distinct Streams
- E-Learning Techniques
- All important apparatus (including Musical instruments, Audio-Visual Aids, Ramp for fashion shows, Chroma Room, Projector Room etc.) are available for practical training.
- Specially Structured Auditorium For Fashion Shows & Performing Arts

OBSERVATIONS

- ❖ The college is beautifully designed and maintained.
- ❖ Every corner reflects the work done by students and faculty.
- ❖ Educational tours, visits to art galleries & industries are organized for extra exposure
- ❖ Specially Structured Workshop Area for Sculpture / Art & Craft
- ❖ The work of art is even displayed at other areas of University which makes it even more interesting.
- ❖ In spite of having multiple departments, the faculty works as one and is amalgamated.
- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders.

RECOMMENDATIONS

- ❖ Online teaching methodologies are not enough for creative & performing Arts. As a faculty, Audit team does recognize the challenges to impart knowledge if student wishes to learn Kathak. The challenge is can it be done?
 - a. If answer is not possible than we have already lost the battle. We need to improvise and with the help of competent team of faculties college can definitely develop a method.
 - b. Some software's are available which may help to teach aspects of art to students online.
- ❖ Students must be promoted to practice and practice if there is no paper or cloth find other medium, as it is their practice which will impart the advanced knowledge.
- ❖ Interdisciplinary knowledge through short term course related subjects such as impact of tones on various surfaces and medium might prove to have everlasting knowledge affect.
- ❖ Student works made be available for purchase to help students and build their recognition.

Faculty of Management & Commerce
Acharya Vishnu Gupt Subharti College of Management & Commerce

www.management.subharti.org

Acharya Vishnu Gupt Subharti College of Management & Commerce (AVGSCMC) was established in the year 2008. AVGSCMC focuses on Management & Commerce Education offering 3 Undergraduates, 2 PG and Ph.D. Program. The emphasis of all academic programs is on building leadership skill with a sound understanding of domestic and global business complexity.

The pedagogical approach combines role playing, case studies, fieldwork, live business projects and instrumented feedback with a strong emphasis on theoretical concepts. The academic environment encourages rational inquisitiveness and seeks to open minds to the exploration of ideas, research and innovation with global prospective.

AVGSCMC rewards initiative, innovation and thinking 'outside the box'. College's students are individualists of enormous intellectual energy with a talent for collaboration and teamwork. They are a diverse lot, possessing flair and dynamism, thriving on challenges both inside and outside the classroom. From 2018-19 under MOU with SAFEDUCATE (an education

arm of SAFEXPRESS) we have launched Industry-Integrated specialization in Logistics & Supply Chain Management. College is an approved research Centre of SVSU.

Total Number of Departments: 02 with 43 faculty members and almost 550 students among

- (i) Department of Management & Commerce
- (ii) Department of Hotel Management

Departmental Infrastructure:

- Class room: all the class rooms have conducive atmosphere for teaching-learning, most of them have advanced ICT facilities, seating is quite comfortable and has well equipped furniture's
- Labs: faculty is fully equipped with all hotel management labs; all are well maintained and utilized regularly, utilization register maintained up to date.
- Faculty rooms: faculty cubicles are allocated for the various departmental faculty. One common faculty room cabins are available with sufficient infrastructure.
- Common rooms: separate common rooms for boys and girls are available.

RESEARCH PUBLICATIONS:

The research input of the department is fair. Faculty members are having good number of publications in indexed journals. Faculty members are continuously trying for patents and copyrights.

OBSERVATIONS

- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders.
- ❖ Department has experienced teachers.
- ❖ Innovative teaching methods and ICT are used in teaching- learning activities.
- ❖ Students are kept engaged in competitions, extension activities, camps and project works.
- ❖ Tests and assignments are incorporated with regular teaching learning process for the reinforcement of the topics. Personal counseling is given to all students.

- ❖ Students are kept engaged in competitions, extension activities, camps and project works.
- ❖ Tests and assignments are incorporated with regular teaching learning process for the reinforcement of the topics. Personal counseling is given to all students.
- ❖ Virtual training is given to all students and extension activities are arranged periodically, Being both the professional courses, industry expert's involvement is missing in both the departments.
- ❖ Hotel management has a good infrastructure and a great scope.
- ❖ The faculty is dedicated and sincere.
- ❖ International and National conferences are organized.

RECOMMENDATIONS

- ❖ However more Alumni involvement will be an added advantage.
- ❖ Placement of student during the pandemic seems challenging. **Online teaching methodologies** needed better methodology and innovative approach to bind the students and make them remain attentive.
- ❖ Work may be done for PDP classes as online classes may not be successful there.
- ❖ Some MOU recommended for competitive exam preparation of students.
- ❖ Audit team is of the view that student should be made familiar with virtual practical websites which can teach them model practice.
- ❖ Interdisciplinary knowledge through hobby courses should be introduced on priority to keep students stress free and studies fun.
- ❖ Completion of long due hotel attached to hotel management Institute.

Faculty of Science
Keral Verma Subharti College of Science

www.science.subharti.org

Keral Verma Subharti College of Science was established in the year 2013 as Faculty of Science with a vision to impart quality education in the field of basic sciences. Presently the college has 7 well established fully furnished departments having a strong team of highly qualified and well experienced faculty members from all parts of India. Large number students are enrolled in various disciplines with an ambition to achieve their respective academic goals. Besides academics the students were also given exposure to participate in various seminars, conferences, workshops, and educational and industrial visits. Regular extracurricular activities are organized to groom the students in various fields. In addition to U.G. & P.G. courses the departments also offers M. Phil & Ph.D. courses in various disciplines.

There are in total 7 Departments with 54 faculty members with approximately 822 students.

Departmental Infrastructure:

The college is housed in a separate multistoried building with well-equipped modern laboratories, high tech classrooms and highly qualified academicians to guide each student to achieve their dreams. The curriculum has been designed as per the norms of UGC with a special inclusion of English language classes, personality development classes and computer programs for an overall personality growth of each student. Several scholarships are announced from time to time for meritorious students. College has a dynamic Placement Cell, Scientific, Cultural, Sports and Research Committees, and much more for overall development of students.

RESEARCH PUBLICATIONS:

The research input of the department needs to be object oriented. Faculty members are having good number of publications in indexed journals but its relevance and converting into adaptable copyrights and patents are missing. Though, faculty members are continuously trying for patents and copyrights. It is felt by the team that frequency of practical's needs to be more than the theoretical session.

OBSERVATIONS

- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders.
- ❖ The laboratories are well made and maintained.
- ❖ Highly qualified faculty with rich research background.
- ❖ Faculty capable of guiding students for researches.
- ❖ Herbal garden is present and well maintained.

RECOMMENDATIONS

- ❖ Poor Alumni network, which needs strengthening.
- ❖ Audit team is of the view that student should be made familiar with virtual practical websites which can teach them practical aptitude.

- ❖ Students should be imparted knowledge regarding research methodologies and creative writing as it will improve faculty input and students research oriented mindset.
- ❖ Online teaching methodologies needed better methodology and innovative approach to bind the students as impact factor against online teaching is not there. Students lack interest in the subject. At the same time, proper documentation of online classes with topics covered and student feed backs are missing at the moment.
- ❖ Student has missed the practical classes during lockdown hence to make up for it more practical sessions are recommended once regular sessions commence.

Faculty of Pharmacy
Kharvel Subharti College of Pharmacy

www.pharmacy.subharti.org

Kharvel Subharti College of Pharmacy is a constituent college of Swami Vivekanand Subharti University, Meerut. It is affiliated to Pharmacy Council of India. The college was started with a vision to educate students on the curriculum as prescribed by the Pharmacy Council of India, emphasizing on both theoretical and practical concepts and training. College also strives to inculcate moral responsibilities in the students to ethically deal with the drugs.

There are in total four Departments with 32 faculty members and almost 400 students. The College has 100% placement record. Because of Practical knowledge and students practical application-based knowledge college is one among the best to produce industry ready well versed alumni.

Departmental Infrastructure:

The college provides excellent infrastructure in terms of laboratories, classrooms and library. The college also draws support in terms of faculty and research facilities from medical college run by the Trust. The central library of the university and the college library are well stocked with books and has a subscription to more than 100 International and National journals. The faculty members are well qualified and as per the norms of PCI. College provides excellent opportunity and facilities for co-curricular activities, games and sports with main focus are to impart quality education and make students physically and mentally robust. College ensures overall development of personality and character.

College has 17 ultra-modern well –equipped laboratories with facilities to research. Combined research with Subharti Medical College provides them with additional benefits.

RESEARCH PUBLICATIONS: Faculty members are having good number of publications in indexed journals with relevance and converting this knowledge in adaptable copyrights and patents are encouraging. Faculty members are continuously trying for patents and copyrights.

OBSERVATIONS

- ❖ Department has experienced teachers.
 - ❖ Innovative teaching methods and ICT are used in teaching- learning activities.
 - ❖ Students are kept engaged in competitions, extension activities, camps and project works.
 - ❖ Tests and assignments are incorporated with regular teaching learning process for the reinforcement of the topics. Personal counseling to all students needs to be more goal oriented.
 - ❖ Virtual training is given to all students and extension activities are arranged periodically.
-

RECOMMENDATIONS

- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders. However more Alumni and researchers to motivate students for people oriented research definitely need a boost.
- ❖ Interdisciplinary knowledge through hobby courses should be introduced on priority to keep students stress free and studies fun.
- ❖ More work is recommended in research and publications.
- ❖ Participation of undergraduate students in conferences.
- ❖ Organization of some conferences in college.

Faculty of Engineering & Technology

- (Chhatrapati Shahuji) Subharti Institute of Technology and Engineering
- Bhai Jaita Subharti College of Engineering

www.engineering.subharti.org

Subharti Institute of Technology and Engineering (SITE), a constitute college of Swami Vivekanand Subharti University (SVSU), is amongst the top 10 Engineering College of the country as per All India Engineering College survey conducted by Business & Management Chronicle. B.Tech Course (CSE,IT,EC,EEE,ME,CE, Food Technology Engineering) and M.Tech. Courses (CSE, Cyber Security, RF and Microwave, Power Electronic and Drives, Production Engineering, Environmental Engineering and Management, Ph.D. in ME, CSE, EEE, EE) are AICTE approved.

The 8 Semester UG program (B.Tech.), 4 Semester PG Course (M.Tech.) and Doctorate Programs in engineering fields aim at giving wide knowledge of sciences and technology and an introduction to hands-on engineering. These semesters are designed to provide enough knowledge in the chosen stream to enable the students to cope up with the current technologies at work after completion of his degree course.

DEPARTMENTAL INFRASTRUCTURE:

The Institute has procured advanced teaching resources, such as; Digital classes, State-of-the-art Laboratories, Wi-Fi enabled Internet Connectivity, Training and Placement Cell, Well stacked Library. The Institute commits itself to:-

- Educating students with the necessary skills to advance the engineering.
- Imparting knowledge to students at all levels including undergraduate & post graduate.
- Discovery of new knowledge through innovative research that encourages entrepreneurship and economic development to benefit our global society.
- Inclusiveness and collaboration on a worldwide basis by both teaching and following ethical, environmentally responsible engineering practice.

College's initiation of Value added courses on Machine Learning with Python, VERLOG, Disaster Management and AUTOCAD is commendable. Other prominent courses available in college are:

RESEARCH PUBLICATIONS Number of the faculty members of this Institute have published their Research Papers and published book/Monograph/Chapter in book in well reputed/Peer Reviewed National as well as International Journals in various disciplines of engineering. In total there are 120 publications and 18 awards which is worth mentioning to motivate rest of the constituent colleges.

OBSERVATIONS

- ❖ College being the local chapter of North Region should take a lead role to develop e content and platforms to facilitate University for student friendly e-learning sessions and interactive Practical platforms just like any other interactive game.
- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders.
- ❖ 3D Printing and some new courses give a newer outlook to the college.

RECOMMENDATIONS

- ❖ Some work required to help students prepare for competitive exams.
- ❖ Tie ups required with industries.
- ❖ College must organize placement drives within the campus to optimize number of placements.
- ❖ During interaction with students' it is felt that they lack personality development traits which can easily be inculcated with the programs.
- ❖ More PDP sessions should be planned.

File checking during AAA audit

Faculty of Law
Sardar Patel Subharti Institute of Law

www.law.subharti.org

Sardar Patel Subharti Institute of law (SAPRA-SIL) is one among top colleges of law in the state of Uttar Pradesh. The Bar Council of India, under the Advocates Act 1961, duly accorded its approval to the University (vide its letter no. BCI: D: 2429/2015 (LE) dated 30/12/2015) to run the various academic courses under the Faculty of Law. Subharti Institute of Law aims to transform students into rational thinker, competent professionals, law abiding citizens and spiritually enlightened individuals so that they can be successful in their legal profession.

By the time a student completes his/her five-year program he/she will be fully versed with the required subject knowledge and practical experience in the field of law to become a full-fledged responsible member of the legal profession.

Department of law has top-notch 25 law professionals who have a fire to train today's lawyers and at present they are responsible for career betterment of 352 students.

DEPARTMENTAL INFRASTRUCTURE:

The magnificent building of Sardar Patel Subharti Institute of Law is located in lush green surroundings, with spacious and well-furnished smart classrooms, equipped with necessary instructional Aids such as overhead projector, white boards, Smart Boards, Microphones and LCD Projector for effective communication and interaction with the students, to facilitate smart classroom discussion and project presentation.

It prides in possessing a rich Library with I.T. and Wi-Fi facilities, a vibrant campus and excellent faculty which makes it one of the selected institutions which impart quality legal education in India. Moreover, the whole college is Wi-Fi empowered with 24x7 internet connection.

It has a Moot Court Hall designed like a courtroom for the purpose of conducting Moot Court Training and Competitions. The program seeks to promote multi-disciplinary analysis of the socio-legal problems by designing its course structure and teaching methods to realize these objectives. The methods of teaching in the Sardar Patel Subharti Institute of Law include lectures discussions, case law analysis, moot court training, project assignments, free legal aid camps, internship programs and placement opportunities.

Furthermore, the college organizes National/International Seminars and Conferences on contemporary socio-political-legal issues, conducts clinical courses and trains students in legal research and legal writing

OBSERVATIONS

- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders.
- ❖ The law college faculty has association with retired judges who teach the children practical aspects of their field.
- ❖ The library is well stocked and up to date.

RECOMMENDATIONS

- ❖ More Alumni and renowned Judges and lawyers should be invited for guest lectures to motivate students for economical social law betterment.
- ❖ College must organize placement drives with major law firm agencies within the campus to optimize number of placements.
- ❖ Students should be promoted for Summer Internship every year to provide practical inputs and develop students' interest to practice law or make aim for Judiciary services. In student wishes to formal coaching for entrance examination may be considered with an outsourced expert agency.

Interaction During Audit

Faculty of Journalism & Mass Communication

Ganesh Shankar Vidyarthi Subharti College of Journalism & Mass Communication

www.journalism.subharti.org

Ganesh Shankar Vidyarthi Subharti College of Journalism & Mass Communication, which is determined to meet the ever-growing demands of young journalists and mass communicators, is established with an aim to develop a new breed of journalists, with a sensitive heart, technical skills, broad knowledge and moreover a dream of a beautiful society. With the philosophy 'learning by doing'. The courses of this advance Institute seek to combine the 'How to' aspect of Journalism with a critical, analytical and reflective 'Why' perspective that enables the young journalists to keep up with the demands of the dynamic world of journalism and mass communication and the changing world. College has almost 100 students whereas faculty strength is 14.

Departmental Infrastructure:

Physical facilities in any college system range from the university buildings, classroom, library, laboratories, learning materials to other infrastructures. Experience shows that physical facilities motivate students to have interest in learning that invariably lead to high performance.

College has all the basic and advanced facilities, such as

- Well Qualified Faculty having Vast Academic and professional experience
- Regular interaction with media professionals and other prominent personalities
- Well-designed syllabus
- Emphasis on achieving academic excellence along with practical training
- Dynamic Theater Club (Sanskar Rang Manch).
- Reporting trips, educational tours, workshops, Conferences, Media Tours and seminars
- On field training (Internship)
- Placement opportunities
- MOUs with Media Houses/Organizations for Training/Research/Industrial Tie-Up/Students Exchange etc.
- Highly Student centric approach.
- Dynamic mentoring policy and execution.
- College caters for value added courses as well and they are Social Media & PR activity, Basic Life Support, Fundamental Indian Constitution and Emergency First Aid.

OBSERVATIONS

- ❖ Audit team is satisfied with the Feedback mechanism from all major stakeholders.
- ❖ College has performed relatively better than major colleges during Online teaching. E content upload is also satisfactory.

- ❖ Mentor groups and student corners are good initiatives.
- ❖ Nationalist activities and student involvement in all department work is very well seen.

Recommendations

- ❖ Coaching for entrance examination may be considered with an outsourced expert agency.
- ❖ Students can be sent to rural areas for hands on training.
- ❖ College must organize placement drives with major firm agencies within the campus to optimize number of placements.
- ❖ Students should be promoted for Summer Internship every year to provide practical inputs and develop students' interest.

SUMMARY OF AUDIT TEAM RECOMMENDATIONS

The audit team visited few colleges but took a brief glimpse of all. It also took an overview of all the support services, and the research cell also. The following are submitted for consideration with an intention of further improving the university academics, to move a step closer towards excellence.

- ❖ Faculty motivation towards research oriented activities.
- ❖ Involvement of undergraduate students in research activities also, with participation, poster presentation, research internships etc.
- ❖ The students need to be trained towards qualifying for competitive exams. Some kind of evening classes through faculty or tie ups can be started.
- ❖ Personality development classes should be strengthened.
- ❖ The University has a tremendous infrastructure which can be utilized in evenings for hobby classes, sports, and other classes.
- ❖ Energy auditing on internal level and counter checking should be done. Some kind of team can take rounds to check if the water wastage is managed, lights are being switched off and so on. This will not only help the University but the Nation at large.
- ❖ The team is very appreciative of the Nationalism, values, greenery and would simply advise to maintain all of it for the benefit of the masses at large.
